Media Release

03-11-10

For Immediate Release

**FIRE DEPARTMENT EMPLOYEE UNDER
INVESTIGATION**

An investigation is currently being conducted into allegations of inappropriate actions involving a City of Hobbs Fire Department employee in reference to missing prescription medications. These allegations are serious in nature. At this time, no information is being released concerning these allegations or the employee alleged to be involved. However, it is the position of the City of Hobbs Fire Department to conclude this investigation in a timely manner and immediately apply appropriate actions deemed necessary by the outcome of the investigation.

**Anyone who feels they are missing prescription medication after having been visited by an off duty Hobbs Fire Department Employee should call the New Mexico State Police at the following numbers:
392-5580 Normal business hours number
392-5588 After hours number**
